Able-Bodied Adult Without Dependents (ABAWD) Requirements Form

The Food and Nutrition Services (FNS) Program, formerly known as Food Stamps, has a work requirement for some adults known as Able-Bodied Adult Without Dependents (ABAWDs). Some adults may only receive FNS for 3 months' time limit, unless they are working or otherwise meeting the ABAWD work requirement.

The work requirements apply to individuals who are:

- Age 18 50 years of age
- Effective October 1, 2023, the age requirement will change to 18 52 years of age
- Effective October 1, 2024, the age requirement will change to 18 54 years of age
- Fit for employment
- Not living in a FNS household with a minor
- Not pregnant
- · Not already exempt from general work requirement
- Not covered by time limit waiver or 12 percent exemption. Effective October 1, 2023,, the exemption will change to eight (8) percent.

What is the time limit?

ABAWD eligibility for FNS is limited to any 3 months in a 36-month period (considered the 3-month time limit) unless the individual meets the ABAWD work requirements

What is the ABAWD work requirement?

ABAWDs can meet the work requirement by:

- Working 20 or more hours a week, averaging 80 hours monthly
- Participating in and complying with the requirements of a work program for 20 or more hours a week
- Participating in and complying with the requirements of a workfare program (North Carolina does not operate workfare program at this time)

What are the exemptions from ABAWD work requirements?

ABAWDs are exempt from work requirements in the following situations:

- Under 18 or 51 years of age or over
- Effective October 1, 2023 the age requirement will change to under 18 or 53 years of age or over
- Effective October 1, 2024 the age requirement will change to under 18 or 55 years of age or over
- Medically certified as physically or mentally unfit for employment
- Responsible for a dependent child or residing in a household where a household member is under age 18
- Exempt from FNS work requirements
- Pregnant
- Homeless
- Veteran
- Individuals who are 24 years of age or younger and in Foster Care under the responsibility of the State on their 18th birthday

Regaining Eligibility

ABAWDS who have exhausted their 3 countable months may regain eligibility at any time by meeting ABAWD work requirements for 30 consecutive days, meeting an exemption from ABAWD work requirements or when their 3-year period expires.

Countable work or work program activities are:

- Volunteering or working in paid employment, including self-employment
- Participating in Workforce Innovation and Opportunity Act (WIOA) services
- Participating in Trade Adjustment Act (TAA) services
- Participating in an allowable FNS Employment and Training (E&T) activity

What happens if an ABAWD who has regained eligibility stops meeting the work requirement?

FNS regulations provide that in limited circumstances, ABAWDs can gain an additional 3 months of eligibility.

This provision:

- Applies only to ABAWDs who regained eligibility but are no longer fulfilling the work requirement
- Provides that ABAWDs may only take advantage of this provision once in a 3-year period
- The additional 3 months must be used consecutively
- If the individual was working, the consecutive 3 months must start when the participant notifies the agency that he or she is no longer in compliance with ABAWD work requirements
- If the individual was participating in a work program or workfare program, the consecutive 3 months must start when the agency determines the ABAWD is no longer in compliance
