DATE: January 5, 2012

SUBJECT: PREMIUM PAYMENT SCREEN

DISTRIBUTION: COUNTY DIRECTORS OF SOCIAL SERVICES INCOME MAINTENANCE DIRECTORS MEDICAID CASEWORKERS AND SUPERVISORS NCHC CASEWORKERS AND SUPERVISORS

I. BACKGROUND

Effective January 17, 2012, the NC Health Choice Premium Payment Screen will be available in the Eligibility Information System (EIS) for the caseworker to determine if the premium payments for NC Health Choice Optional Extended Coverage (MIC-L) have been made. The caseworker will be able to view the premium payment date and verify premium payments for recipients who were approved for MIC-L with benefit months beginning with October 1, 2011.

The NC Health Choice Premium Payment Screen is located on the EIS Menu (Inquiry). To access the screen, enter the selection as "PP" and key the Medicaid Individual Number (MID).

The Division of Medical Assistance (DMA) will begin manually terminating all Extended Coverage cases and/or individuals who failed to make premium payments by the established deadline. DMA will continue to automatically terminate cases and/or individuals at the end of the 12 month certification period who are approved for Optional Extended Coverage and continue making premium payments for the entire 12 months. Notices will be sent to recipients to inform them of the reason for termination.

Refer to Family and Children Medicaid 3255 (NC Health Choice) for additional policy information.
