CHAPTER II – REFUGEE MEDICAL ASSISTANCE PROGRAM

CHANGE #2-2022

July 1, 2022

I. INTRODUCTION

Refugees who resettle in the United States have often been living in poor conditions, many in refugee camps, with inadequate or no health care. Since restoration of good health is a key factor in becoming self-sufficient, refugees may apply for medical assistance at the local Departments of Social Services (DSS).

Refugee Medical Assistance (RMA) is health care coverage established for refugees who do not meet qualifications for any other health care program. Refugees must first be evaluated for all Medicaid program categories including Modified Adjusted Gross Income (MAGI) and determined ineligible prior to being evaluated for RMA. RMA provides health care to refugees who are adults without minor children. RMA is a short-term transitional program available for the first **twelve** months a refugee resides in the United States. In determining eligibility for RMA, the county DSS must comply with the policies and procedures described in this chapter of the North Carolina Refugee Assistance Manual. In providing RMA to refugees, the agency must provide at least the same services in the same manner and to the same extent as provided under the North Carolina Medicaid program.

NOTE: References will be made, throughout this chapter, to the appropriate section of the NC Medicaid Manual for the Aged, Blind, and Disabled (Adult) whenever the RMA program has policies and procedures in common. Exceptions or special rules for RMA will be noted.

NOTE: Throughout this Chapter, the term “refugee” will refer to all populations/groups listed below, who are ORR-eligible with a qualified status, exempt from the 5-year ban time frames and potentially eligible for RMA. See Chapter I., Section III. for detailed definitions and acceptable documentations.

- Refugees
- Asylees
- Cuban and Haitian Entrants
- Certain Amerasians (from Vietnam)
- Victims of Human Trafficking
- Special Immigrant Visa (SIV) Holders from Iraq and Afghanistan

NOTE: SIV holders and potentially transition to Lawful Permanent Residents (LPR) status within the first ninety (90) days, after date of entry into the United States.

- Afghan Special Immigrant Parole (SI/SQ)
- Afghan individuals with Special Immigrant (SI) Conditional Permanent Residence (CPR)
- Afghan Humanitarian Parolees (AHP)
- **Ukrainian Humanitarian Parolees (UHP)**
- **Non-Ukrainian Individuals displaced from Ukraine**

NOTE: Current, Lawful Permanent Residents (LPR) status holders may have held one of the above statuses prior to adjusting to LPR status.

II. ELIGIBILITY GUIDELINES

Refugees can apply for the same benefits and service programs that are available to U.S. citizens. The refugee individual must meet the eligibility criteria below to receive RMA assistance. After the case manager determines that a refugee individual is not eligible for **any** North Carolina Medicaid program category, including MAGI, expectation of Family Planning Program (FPP).

NOTE: Expectation of FPP can only occur, at initial application. If the applicant is **ONLY** eligible for Family Planning, remove the Family Planning evidence from the case and an “ineligible” decision should occur and dispose the application. This claimant (as stated in NC FAST system) can apply for Refugee Medical Assistance (RMA).

NOTE: See Chapter I. Section III. to determine refugees, have acceptable documentation and who are categorically not eligible for RMA.

A. ORR-Eligible Immigration Status Verification

Individuals must have the proper immigration documentation reflecting refugee status. Qualified groups, potentially eligible for RMA are Refugees, Asylees, Cuban and Haitian Entrants, Certain Amerasians (from Vietnam), Victims of Human Trafficking, Special Immigrant Visa (SIV) Holders from Iraq and Afghanistan, Afghan Special Immigrant Parole (SI/SQ), Afghan individuals with Special Immigrant (SI) Conditional Permanent Residence (CPR), Afghan Humanitarian Parolees (AHP), **Ukrainian Humanitarian Parolees (UHP) and Non-Ukrainian Individuals displaced from Ukraine**. See Chapter I. Section III. for detailed definitions and acceptable documentations.

B. Eligibility Timeframe of Coverage

An individual can apply for RMA at the local DSS where the applicant resides within the first twelve (12) months of arrival.

1. Definition(s)

- **Date of Entry** also known as Date of Arrival. Date a non-citizen arrived in the US, usually notated on the USCIS document. For Refugee Program eligibility for asylees, substitute the date asylum was granted for the actual date of entry.
- **Date of Eligibility** also known as Date Alien Status Granted, on Alien Evidence Tab of the NC FAST, Date ORR-Eligible population benefits or services start.

EXAMPLE: Afghan Humanitarian Parolee passport stamp or I-94 is 9/15/2021 but the date an Afghan parolee departs an Operation Allies Refuge/Operation Allies Welcome (OAR/OAW) Safe Haven Military base in Fort Wayne, TX and arrives in Raleigh, NC to the community on 12/1/2021.

NOTE: In NC FAST on the Income Support Application, Alien Evidence the “Date Alien Status Granted” **must** be completed. This date may be different for Afghanistan, excluding SIV’s Holders and Ukrainian populations. If the date is the same as the date of entry, enter the date twice both in the Date of Entry and Date Alien Status Granted fields.

The individual could be eligible for a Medicaid program. STATE REFUGEE OFFICE MANUAL

D. Institution of Higher Education

Refugees who are full-time students in an institution of higher education are not eligible for RMA.

E. Residency Status

Proof of residency is not a condition of eligibility; accept applicant's statement of intent to reside in a county in North Carolina. Do not request other verification such as post-marked mail, rental/utility records, etc., as newly arrived refugees are not likely to have these documents.

**F. DSS-6247 "Notification of Refugee Arrival and Intent to Apply for Benefits"
Notification from Refugee Resettlement Agencies**

All refugee applicants who resettle through a Refugee Resettlement Agency (Appendix A) must present a DSS-6247, Notification of Refugee Arrival and Intent to Apply for Benefits form when applying for all public benefits. **This is a required form.** If applicants with Refugee, Special Immigrant Visa Holders, and/or Afghanistan populations statuses, do not present form DSS-6247, at the time of application and they were resettled through an Refugee Resettlement Agency then case manager should not move forward. The case manager must request for the Refugee Resettlement Agency to provide a completed DSS-6247 first, at the onset of the application in addition to all other immigration documentations.

NOTE: DSS-6247, Notification of Refugee Arrival and Intent to Apply for Benefits, **is NOT a required form** for all other populations e. g. Asylees granted Asylum, Victims of Trafficking, Cuban Haitian Entrants, and Ukrainian Humanitarian Parolees (UHP). These ORR-eligible populations are individuals who are in the U.S. before their status is granted and they often will not have an established relationship with a resettlement agency. This other group is responsible for providing their demographic information. The case manager must make an agency referral by referring the applicant with to one on of the approved NC Refugee Services Providers (Appendix B) in the county in which the applicant lives.

- Count only income from earnings, savings in US bank accounts, and other financial resources acquired while in the United States.
- Do not consider a sponsor's income to be accessible to a refugee.

- Do not average income prospectively over the application processing period in determining income eligibility for RMA.
- Do not count Match Grant payments as income.

These ORR-eligible populations are individuals who are in the U.S. before their status is granted and they often will not have an established relationship with a resettlement agency

STATE REFUGEE OFFICE MANUAL
REFUGEE MEDICAL ASSISTANCE PROGRAM

- c. If unable to confirm status from documentation supplied by applicant, **Refer to ORR Fact Sheets (Appendices E – J)** as a secondary form of verification. 'Refugees' immigration status will always be verified and valid through appropriate documents. If applicants are unable to provide documentation, then they may not have adequate 'Refugee' immigration status.
- d. If unable to confirm status from documentation supplied by applicant, **approve RMA** if other eligibility requirements are met.

- 3. **Processing Time Standard – Applications must be processed within thirty (30) calendar days** unless there is applicant delay. F. If the refugee individual/family is determined to be eligible for a Medicaid program in the NC FAST System, authorize Medicaid coverage according to Medicaid program guidelines for that refugee individual/family.

G. If the refugee individual/couple is determined to be ineligible in the new MAGI application for a Medicaid program in the NC FAST System, then complete a Medical Assistance application.

IV. FINALIZED APPLICATION

A. Disposition of Application

Eligible applicants are entitled to receive RMA coverage for up to **twelve (12)** full months from the date of arrival in the United States.

2. Coverage of Refugees Who Do Not Meet State's Financial Eligibility Standards (Medicaid Deductible)

An RMA applicant whose net countable income exceeds 200% of Federal Poverty Level Income Limit must meet a deductible before being authorized for Medicaid. - 2. Determine end date** – Eligibility ends **twelve** full months after the refugee's date of entry or attaining eligible status, on the last day of that month.

STATE REFUGEE OFFICE MANUAL
REFUGEE MEDICAL ASSISTANCE PROGRAM

C. Notices

Once the determination of eligibility has been made, the applicant and Refugee Resettlement Agency (RRA), if applicable, both must be notified of the outcome.

1. A DSS-6243, Pro-Forma Notice of Approval, Denial/Withdraw and Changing, to RMA applicant regarding the disposition of the application will be system generated in NC FAST with disposition of the RMA application. The notice is system generated and will automatically generate after the disposition is complete. Case manager must also send copy of DSS-6243 notice to RRA if applicable.

NOTE: In the event this NC FAST system generated DSS-6243 form is disable, prints in error, prints incorrect disposition information and/or is not working the case manager MUST generate a DSS-8108, or DSS-8109 Notice of Benefits Approval/Denial, form to manually electronically complete (available on the forms website) and mailed to recipient in its place.

These forms are case manager initiated and must be complete with the disposition of the RMA application. Next, the case manager must upload the DSS-8108, DSS-8109 and DSS-8110 into the documents tab of NC FAST. The case manager must specify RMA option and cite the appropriate RMA policy reference. An approval notice must be sent to the RMA recipient and to the NC Refugee Resettlement Agency (representative).

Follow instructions in **DSS-8108, DSS-8109, DSS-8110** to establish the following:

- a. refugee has applied for assistance,
- b. the status and disposition of the application, and
- c. the reason if assistance has been refused, denied or terminated.

NOTE: If a refugee applies for other mainstream assistance programs and is determined ineligible, but eligible for RMA, one notice must reflect the mainstream disposition and one letter must reflect the approval disposition.

V. CHANGES IN SITUATION

- A.** A change in situation is any change an individual refugee experiences that may affect the individual's eligibility for RMA.

Example of change in situation for RMA recipient with refugee status turns 65 years old during RMA certification period.

RMA recipient turns 65 years of age, react to change, and evaluate for Medicaid to the Aged, Blind and Disabled (MAABD), under the NC Medicaid State Plan. Terminate RMA as recipient is now ineligible for RMA.

Example of change in situation for RMA recipient with refugee status becomes pregnant during RMA certification period

RMA recipient becomes pregnant react to change. and evaluate for Medicaid programs for pregnant women under the NC Medicaid State Plan. Terminate RMA as recipient is now ineligible for RMA.

- B.** The refugee and the resettlement agency are responsible for reporting changes. A change in situation must be reported within ten (10) calendar days of when the change is known.
- C.** An agency must react to a change in situation the following month after the change but no later than the second month. Changes are effective the month after the month in which the 10-day notice expires unless the recipient waives the 10-day notice.

NOTE: RMA applicants/recipients must receive timely notice termination of benefits.

- D.** Verify the change according to the verification procedures. Always document the change and verification.
- E.** NC FAST will systematically generate a timely DSS-6243 via Pro-Forma, Notice of Stopping or Changing Public Assistance, to notify the household how the change affects their benefits.

NOTE: In the event this NC FAST system generated DSS-6243 form is disable, prints in error, prints incorrect disposition information and/or Pro-Forma is not working the case manager **MUST** generate a DSS-8110, Notice of Benefits Changing. Next the form must be generated (via the DSS forms website) and uploaded into NC FAST, on the documents tab regarding the disposition of the RMA application. Lastly, a copy must be mailed to the RMA recipient and the NC Refugee Resettlement Agency.

- F.** Due to the short-term of benefits, if a refugee household reports a change of address and it is in another county, **do not transfer the case**. Instead, continue to maintain the RMA Error! Bookmark not defined. in the county of application. Instead, continue to maintain the RMA case in the county of application. The RMA program does not provide recertification or reviews or benefits

NOTE: **DO NOT** terminate RMA if new or additional income is reported and causes the recipient to exceed the income limit. **Eligibility for RMA is based on the applicant's income and resources at the time of application ONLY** i.e., if a refugee has no income at the time of application, count no income. Do not project income for the duration of the RMA certification. Do not count income/resources prior to date of application. A recipient shall continue to receive RMA until the end of the 12-month eligibility period unless there is a change in eligibility (age or pregnancy).

STATE REFUGEE OFFICE MANUAL
REFUGEE MEDICAL ASSISTANCE PROGRAM

VI. REVIEW

At the end of the refugee's **twelfth** month in the U.S., terminate RMA assistance. Evaluate to determine if the individual with refugee status is eligible for any other medical assistance and take the necessary program applications or refer to the appropriate agency. In addition to notifying the refugee of the termination, the notice must indicate the determination of eligibility for other programs. Manually send a written DSS-8110, Notice of Stopping or Changing Public Assistance. Unlike Medicaid, RMA policy does not allow for extension of benefits due to county failure to provide timely notice. See MA Section 2352 for additional instructions.

NOTE: Refugee Medical are available to refugees for up to the first **twelve** months after their date of arrival, or attaining eligible status, in the United States, and only if they are not eligible for other mainstream social services assistance programs.

VII. NOTICE AND HEARINGS PROCESS

A. All applicants for and recipients of RMA must be provided an opportunity for hearing to contest adverse determinations. See MA Section 2420.

ADDITIONAL REQUIREMENTS:

- The refugee may have a representative as well as a translator/interpreter attend the hearing.
- The hearing decision must be provided in a language the refugee can understand or have translated/interpreted into such a language.

B. A hearing need not be granted when RMA is terminated because the eligibility time period (12 months) imposed by law has been reached.

VIII. RECIPIENT FRAUD AND ABUSE

Local DSS must comply with Federal requirements regarding potential fraud and misrepresentation that results in medical assistance overpayments. Because Refugee Assistance is not considered a program of public assistance under N. C. G. S. 108A-24, fraud cases must be prosecuted under N. C. G. S. 14-100, "False Pretense and Cheats." See MA Section 2900 for additional information.
